### 14 HENS LAY 13 EGGS A DAY. EASILY DONE

Mr. Moore's Hens Lay When Eggs are Scarce. Here's the Plan.

"I had been getting 2 or 3 eggs a day from 15 hens. Then I commenced putting Don Sung in the feed, and am getting 11 to 12 eggs a day, with one hen setting. Don Sung is the best thing I ever found for making hens lay."

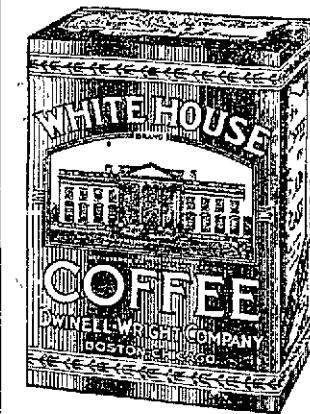

Mr. Moore used 50 cents worth of Don Sung in January. Figure his profit with eggs selling at around 70 cents a dozen. And this is no better than Don Sung is doing for thousands of others. Accept our offer just as Mr. Moore did.

Give your hens Don Sung and watch results for one month. If you don't find that it pays for itself and gives you a good profit besides, simply tell us and your money will be promptly refunded. Don Sung (Chinese for egg-laying) works directly on the egg-laying organs and is also a splendid tonic. It is easily given in the feed, improves the hen's health, makes her stronger and more active in any weather, and stays her laying.

Try Don Sung for 30 days and if it doesn't get you the eggs, no matter how cold or wet the weather, your money will be refunded by return mail. Get Don Sung from your druggist or poultry remedy dealer or send 50 cents for a package by mail prepaid. Burrell & Sons, 225 Columbia Bldg., Indianapolis, Ind.—Adv.

### NO REST—NO PEACE

There's no peace and little rest for the one who suffers from a bad back, and distressing urinary disorders. Connelville people recommend Doan's Kidney Pills. Be guided by their experience. Ask your neighbor! Mrs. W. Bowers, 134 N. Third St., Connelville, says: "I think the world and all of Doan's Kidney Pills. I have used them for years whenever I have had an attack of kidney trouble. Last winter an attack of influenza put my kidneys in a very weak condition. They became disordered and acted too frequently. My back ached constantly and I also suffered from headaches and spells of dizziness. Black spots also blurred my sight. I was weak and run down at these times, but on taking Doan's Kidney Pills I would be greatly benefited. I get this medicine at the Connelville Drug Co."

## WRIGHT-METZLER'S NEW STORE WILL BE OPENED THURSDAY

North Pittsburg Street Estab-  
lishment One of Most Com-  
modious of Its Kind.

### A RECEPTION WEDNESDAY

Groceries and Lunch Counter Take Up  
Greater Part of First Floor; Car-  
pets, Curtains, Etc., and Talking  
Machines Displayed On Second Floor

With the opening Thursday of the  
North Pittsburg street store of the  
Wright-Metzler company, Connells-  
ville will be provided with one of the  
most modern and commodious estab-  
lishments of the kind in this section.

Traveling men who have visited the  
place declare it to surpass any they  
have ever seen in the larger cities.

A reception will be held on  
Wednesday evening, to which the  
public is invited.

Thursday morning every department  
with the exception of the lunch coun-  
ter and delicatessen department, the  
delay being caused by the bake shop  
and kitchen not being ready to put  
into operation, will be open for busi-  
ness.

Every department is complete. On  
entering the right side of the store is  
attracted by a specially-built case for  
vegetables, fruit and green goods. The  
entire left side of the store is devoted  
to groceries, the department being in  
charge of Albert Fleming, assisted by  
an efficient corps of clerks.

Thursday morning every department  
with the exception of the lunch coun-  
ter and delicatessen department, the  
delay being caused by the bake shop  
and kitchen not being ready to put  
into operation, will be open for busi-  
ness.

Next comes the lunch counter and  
delicatessen department. Only cold  
lunches, such as sandwiches of vari-  
ous kinds, pie, cake, doughnuts, fruits,  
coffee and tea will be served. A space  
of about 40 feet is devoted to this  
feature of the store. All the counters  
and shelves are Corian glass and are  
especially attractive.

Adjoining the lunch counter are  
cases, all refrigerated, for the display  
of delicatessens, cheese, butter, smok-  
ed and fresh meats.

At the front of the center of the  
store are plate glass top cases to be  
used for choice candies, cakes and  
bread, while in the rear of the center  
of the store is a somewhat similar  
case, where bottled goods, preserved  
fruits will be displayed. Around this  
case is a guard rail of prevent the  
handling of goods.

On the right side in the rear of the  
main floor are three wall refrigerators  
in which butter, cheese, smoked meats  
and hams will be kept.

In the rear of the store is the main  
refrigerator, in three compartments,  
for the keeping of meat. Adjoining  
it is a large compartment for vegeta-  
bles and fruits. In the extreme rear  
is the room to be used for cutting  
meats. A. V. Rush, one of the most  
widely experienced meat men in this  
section, will have charge of the meat  
department.

The second floor will be devoted ex-  
clusively to floor coverings, curtains,  
window shades, trunks and the  
Edison department, with L. W. Brown  
in charge. Four commodious booths,  
beautifully carpeted and supplied with  
comfortable chairs, have been erected  
in the Edison department. To the  
right of the carpet department is the  
work room, where carpets will be  
made and other work in connection  
with the department done.

In the basement, which will be used  
for the storing of goods, has been  
installed machinery to create the  
cooling system used.

To conceive an idea of the metro-  
politan plan on which this store is to  
be carried out one will have to attend  
the opening tomorrow night. It is al-  
most impossible to give a justifiable  
description of its beauty and modern-  
ized arrangements. All the wood-  
work is done in mission beautiful. In  
planning the store the firm was  
especially interested in its sanitary  
equipment and all devices which will  
secure service to the public.

The basement of the Crawford ave-  
nue store, a part of which was oc-  
cupied by the grocery department,  
will be devoted exclusively to high  
class glassware, china and household  
wares. R. M. Evans will be in charge.  
The department will be entirely re-  
modeled and will not be ready for use  
for about three months.

### The Quick Way to Stop a Cough

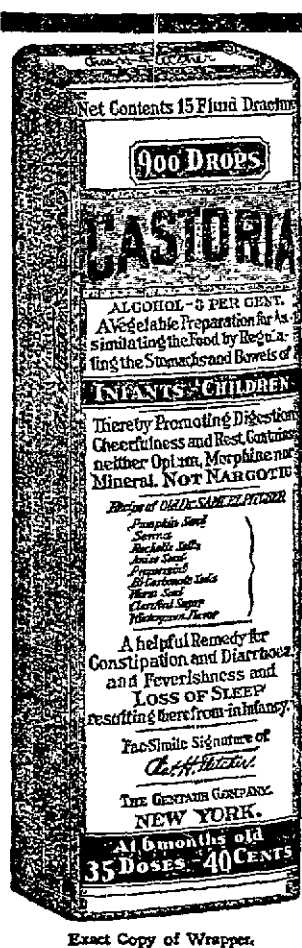

This home-made syrup does the  
work in a hurry. Really pro-  
pounded, and serves about 15.

You might be surprised to know that  
the best thing you can use for a severe  
cough, is a remedy which is easily pre-  
pared at home in just a few moments.  
It's cheap, but for prompt results it  
beats anything else you ever tried. Usual-  
ly stops the ordinary cough or chest  
cold in 24 hours. Tastes pleasant, too—  
children like it—and it is pure and good.

Put 2 1/2 ounces of Pinex in a pint  
bottle; then fill it up with plain granu-  
lated sugar syrup. Or use clarified  
molasses, honey, or corn syrup instead  
of sugar syrup, if desired. Thus you  
make a full pint—a family supply—but  
costing no more than a small bottle of  
ready-made cough syrup.

And as a cough medicine, there is  
really nothing better to be had at any  
price. It goes right to the spot and  
gives quick, lasting relief. It promptly  
heals the inflamed membranes that line  
the throat and air passages, stops the  
annoying throat tickle, loosens the  
phlegm, and soon your cough stops en-  
tirely. Splendid for bronchitis, croup,  
hoarseness and bronchial asthma.

Pinex is a highly concentrated com-  
pound of Norway pine extract, famous  
for its healing effect on the membranes.  
To avoid disappointment ask your  
druggist for "2 1/2 ounces of Pinex" with  
directions and don't get anything else.  
Guaranteed to give absolute satisfac-  
tion or money refunded. The Pinex  
Co., Ft. Wayne, Ind.

## This Is Better Than Laxatives

One NR Tablet Each Night For A Week  
Will Cleanse Your Constipation and  
Make Constant Dosing Unneces-  
sary. Try It.

Poor digestion and assimilation  
mean a poorly nourished body and  
low vitality. Poor elimination means  
clogged bowels, fermentation, putri-  
faction and the formation of poisonous  
gases which are absorbed by the blood  
and carried through the body.  
The result is weakness, headaches,  
dizziness, coated tongue, inactive liver,  
bilious attacks, loss of energy, nervi-  
ousness, poor appetite, impoverished  
blood, sallow complexion, pimples, skin  
disease, and often times serious ill-  
ness.

Ordinary laxatives, purgers and cathar-  
tics—sulfate, castor oil, calomel and the  
like—may relieve for a few hours, but  
real, lasting benefit can only come  
through the use of medicine that tones  
up and strengthens the digestive as  
well as the eliminative organs.

Get a 25c box of Nature's Remedy  
(NR Tablets) and take one tablet each  
night for a week. Relief will follow  
the very first dose, but a few days  
will elapse before you feel and realize the  
full benefit. When you feel  
at ease and your bowels are regular  
again you need not take medicine  
every day—an occasional NR Tablet  
will then keep your system in good  
condition and you will always feel  
your best. Remember, keeping well is  
easier and cheaper than getting well.  
Nature's Remedy (NR Tablets) are  
solid, guaranteed and recommended by  
your druggist.

## This Tells You How to Get Benefit of the Best Senna

Finest Grade of Egyptian Senna Leaves used in compounding Dr. Caldwell's Syrup Pepsin.

**PROMINENT** importers and wholesale dealers in crude drugs and medicinal herbs gathered from all parts of the world do not hesitate to say that the market for the better grades of medicinal herbs, roots, oils, etc., is practically confined to the leading manufacturers of the so-called "patent" medicines, who buy only the very best, and that the manufacturers of Dr. Caldwell's Syrup Pepsin are the largest users of the best grade of Egyptian senna leaves in the world.

The potency of a tea brewed from senna leaves to relieve constipation has long been recognized, not only by the medical profession, but by the public generally. In fact, senna has been known and used in medicine for more than five centuries. The cheaper grades of senna, such as are usually sold at retail, have, however, a tendency to gripe and cramp

which makes their use unpopular with most people.

In Dr. Caldwell's Syrup Pepsin the finest Egyptian senna is combined with pepsin and other valuable agents, essential oils and pure cane sugar syrup to make an exceptionally valuable tonic-laxative for the relief of constipation and resulting disturbances of the stomach and bowels. The complete formula is plainly printed in English, French, and Spanish on every package. Thousands who formerly bought an inferior grade of senna leaves now use Dr. Caldwell's Syrup Pepsin instead. It is sold in drug stores everywhere.

In spite of the fact that Dr. Caldwell's Syrup Pepsin is the most famous liquid laxative in the world, there being over 6 million bottles sold each year, many who need its benefits have not yet used it. If you have not, send your name and address for a free trial bottle to Dr. W. B. Caldwell, 511 Washington St., Monticello, Illinois.

## HER SON HAD PNEUMONIA IT MADE HIM WEAK

Tells How Earle's Hypo-Cod Gave Him New Strength and Built Him Up.

## DRUGGIST TOLD HER IT IS THE BEST TONIC

"My son had pneumonia and it left him so weak and feeble and with his stomach in such a weak state he couldn't eat hardly anything. It worried me just like it would have worried any mother I guess. Anyhow, I went down to the drug store, and asked the man there what I had better get for my boy. He said there was no question but what Earle's Hypo-Cod is the most powerful and pleasant to take medicine made so I took some."

"I thought at the time maybe the druggist was stretching it a little but he said Earle's Hypo-Cod would build up my boy but my son's stomach does more than they claim if anything. He eats and sleeps just grand and it surely did the work of building him up in a hurry," declared Mrs. R. Tinney, who states she lives in Roland, O.

After a long wasting illness when the breath is short, lungs are sore, muscles ache and the whole system is run down—Earle's Hypo-Cod will put the patient back on their feet, and weeks sooner and its pleasant taste will surprise you. It agrees perfectly with the most delicate stomach. It relieves the patient so promptly little fear need be felt about complications, Catarrhal, bronchial trouble vanishes quickly, says assert.

Get a bottle of the genuine Earle's Hypo-Cod tonight, which can be secured at Bissell & Company and the leading druggists in all nearby towns. Price \$1.25, plus 5c war tax.—Adv.

## COMB SAGE TEA IN HAIR TO DARKEN IT

It's Grandmother's Recipe to Keep Her Locks Dark, Glossy, Beautiful.

The old-time mixture of Sage Tea and Sulfur for darkening gray, streaked and faded hair is grandmother's recipe, and folks are again using it to keep their hair a good, even color, or which is quite sensible, as we are living in an age when a youthful appearance is of the greatest advantage.

Nowadays, though, we don't have the troublesome task of gathering the sage and the mussy mixing at home. All drug stores sell the ready-to-use product, improved by the addition of other ingredients, called "Weyth's Sage and Sulfur Compound." It is very popular because nobody can discover it has been applied. Simply moisten your comb or a soft brush with it and draw it through your hair, taking one small strand at a time; by morning the gray hair disappears, but what delights the ladies with Weyth's Sage and Sulfur Compound, is that, besides beautifully darkening the hair after a few applications, it also produces that soft lustre and appearance of abundance which is so attractive.—Adv.

## TARZAN AND THE Jewels of Opar

By EDGAR RICE BURROUGHS

Author of "Tarzan of the Apes" "Son of Tarzan"

Copyright, 1915, by A. C. McClurg & Co.

"He is worse than a crook," said a quiet voice behind them. Tarzan turned in astonishment to see a tall man in uniform standing in the trail a few paces from him. Back of the man were a number of black soldiers in the uniform of the Congo Free State.

"He is a murderer, monsieur," continued the officer. "I have followed him for a long time to take him back to stand trial for the killing of his superior officer."

Werper was upon his feet now, gazing, white and trembling, at the fate which had overtaken him even in the fastness of the labyrinthine jungle. Fastidiously he turned to flee, but Tarzan of the Apes reached out a strong hand and grasped him by the shoulder.

"Wait!" said the ape-man to his captive. "This gentleman wishes you and so do I. When I am through with you he may have you. Tell me what has become of my wife."

The Belgian officer eyed the almost naked white giant with curiosity. He could not quite determine the social status of this strange creature; but he knew that he did not relish the easy assurance with which the fellow presumed to dictate when he might take a session of the prisoner.

"ardon me," he said, stepping forward and placing his hand on Werper's other shoulder; "but this gentleman is my prisoner. He must come with me."

"When I am through with him," replied Tarzan, quietly.

"Both the law and the power to enforce it are upon my side," announced the officer. "Let us have no trouble."

"Your legal rights are not above suspicion, my friend," replied Tarzan, "and your power to enforce your commands are only apparent—not real. You have presumed to enter British territory with an armed force. Where is your authority for this invasion? Where are the extradition papers which warrant the arrest of this man? And what assurance have you that I cannot bring an armed force about you but will prevent your return to the Congo Free State?"

The Belgian lost his temper. "I have no disposition to argue with a naked savage," he cried. "Unless you wish to be hurt you will not interfere with me. Take the prisoner, sergeant."

Werper raised his lips close to Tarzan's ear. "Keep me from here, and I can show you the very spot where I saw your wife last night," he whispered. "She cannot be far from here at this minute."

The soldiers, following the signal from their sergeant, closed in to seize Werper. Tarzan grabbed the Belgian about the waist, and bearing him beneath his arm as he might have borne a sack of flour, leaped forward in an attempt to break through the cordon.

His right fist caught the nearest soldier upon the jaw and sent him hurtling backward upon his fellows. Clashed rifles were torn from the hands of those who barred his way, and right and left the black soldiers stumbled aside in the face of the ape-man's savage break for liberty.

So completely did the blacks surround the two that they dared not fire for fear of hitting one of their own number, and Tarzan was already through them and upon the point of dodging into the concealing mazes of the jungle when one who had sneaked upon him from behind struck him a heavy blow upon the head with a rifle.

In an instant the ape-man was down and a dozen black soldiers were upon his back. When he regained consciousness he found himself securely bound, as was Werper also. Werper was visible in his protests. He explained that Tarzan was an English lord, but the officer only laughed at the assertion, and advised his prisoner to save his breath for his defense in court.

Toward evening the column halted beside a stream, made camp and prepared the evening meal. From the thick foliage of the nearby jungle a pair of fierce eyes watched the activities of the uniformed blacks with silent intensity and curiosity.

## Pure Cleansing Massage Cream

Pleasant, Glycerine Cream Removes Skin Impurities and Cleans Complexion.

"The most marvellous and delicate skin quickly responds to the soothing, cleansing power of HOKARA—a safe, antiseptic skin tonic and cream. Cure treatment for just a few days—then pimples and rough skin are a thing you forget—the skin is so clear and fair."

Your prior, dry, scaly, blemished skin seems to drink in HOKARA's healing qualities and become invigorated, clear and clean by the antibiotic effects of this splendid cream.

Although a superior massage cream, HOKARA is not a bit expensive. Every lady can have HOKARA on a guarantee of "best you ever used or money back," and still not pay over 50c for a liberal sized jar; larger sizes 80c and \$1.00. Sold on above guarantee by A. A. Clarke, druggists.—Adv.

## Reduce Those Dangerous Swollen Veins

Physicians are prescribing and hospitals are using a new and harmless, yet very powerful germicide that not only causes enlarged or "swollen" veins and tumours to become normal, but also reduces swollen, enlarged glands and veins.

Ask any first class druggist for an original 1-ounce bottle of Moore's Emulsa Oil (full strength) and refuse to accept anything in its place. It is such a highly concentrated preparation that two ounces last a long time and furthermore if this wonderful discovery does not produce the results anticipated, you can have the price refunded.

It is not wise for anyone to allow swollen veins to keep on enlarging. Often they burst and cause weeks of pain, suffering and loss of employment. Start the Emulsa Oil treatment as directed and improvement will come at once. Our druggist at Conneltsville Drug Co. can supply you.—Adv.

## Don't Spoil a Good Meal With a Bad Stomach

It is really a painful sight to see many thousands of people worrying about what they can eat and what they can't eat.

Dyspepsia they call themselves, but they stretch the imagination when they do it.

All these people need to make them healthy, cheerful and of sound appetite is a box of Milo-Na Tablets.

The strength of a dyspeptic is overworked and run down. It needs help to digest the food, but more than that it needs a prescription that will cleanse, invigorate, strengthen and put elasticity into the stomach walls.

Milo-Na is the prescription that will do this and do it so promptly that you'll wonder why you didn't try it before.

It stops belching of gas and distress after eating in five minutes. It is undoubtedly the greatest stomach trouble ever given to the public by a specialist in stomach diseases.

Loading druggists everywhere and A. A. Clarke sell Milo-Na for 60 cents a large 3-ounce box; 100 cents a 6-ounce box on the money back plan.

HYOMEI

Ends Catarrh or money back. Just breathe it in. Outfit including inhaler \$1.35. Extra bottles 60c. All Druggists.

**T**HERE is never an event, not even the spring open-  
ings which holds so much promise of real good as  
our annual February White Sale. This year it is

scores and scores of which are being offered at reductions on their  
selling price when bought 10 months ago, prices already far be-  
neath the present cost.

Our very best advice is buy as heavily as you can now. We

everyday necessities as these.
